

Living the Giving Way of Life

Stewardship 2022

What does "Living the Giving Way of Life" mean?

Simply put, it means every day asking God, "How can I best serve you today?"

Having hearts open to service and ears open to God's voice is what makes our All Saints Parish family a vibrant community of disciples. Parishioners of all ages and from every background and corner of our parish are called to respond generously to the needs of the parish. Take a moment and ask God how you can serve Him.

Instructions: First complete the Personal Information. (Note: Please sign up as an individual. Additional forms will be available in church the whole month of November. Sign up is also available at the parish office, the parish website (www.allsaints-parish.com), or the parish Facebook page.

Please complete one form for every member of your household and return to the parish.
