

Every Member

Discipleship 2024

What does "Every Member a Minister" mean?

It means "There is a place for you here...and you have work here".

Full, active, conscious participation is what makes our All Saints Parish family a vibrant community of disciples. Parishioners of all ages and from every background and corner of our parish are called to respond generously to the needs of the parish. Ask God in prayer what your discipleship looks like...and how every member of your household can serve God in our All Saints Parish Family.

Instructions: First complete the Personal Information. Note: Please sign up as an individual. Additional forms will be available in church the whole month of October. Sign up is also available at

Please complete one form for every member of your household and return to the parish.
