WITH THE TRUTH, THAT THEY ARE INCREDIBLY LOVED

Thank You

All Saints Parish Congregation,
Thank you so much for the amazing donations you provided the Morrison House. These donations will help many. Sincerely, Challie Bruhl

FISH of Tiffin, Inc. gratefully acknowledges your generous contribution and would like to express our gratitude for your support. Your gift is an expression of how much you care about the people in our community, especially those who find themselves in need of assistance. In addition to the food pantry which serves an average of 195 adults and children per month, your donation supports limited financial assistance for doctor appointments, transportation, certain medications and one-time assistance to prevent utility shutoffs and housing assistance. Funding also improves the quantity and quality of food at the drive-through distribution which serves over 275 households per month. This could not be done without your support.

Gospel Meditation

Encourage Deeper Understanding of Scripture

One of my favorite new singers/songwriters is Noah Kahan. I'm a little biased because, like me, he is originally from Vermont. In a fine song entitled "Stick Season," he sings of his hope to "cancel out the darkness I inherited from dad." This lyric articulates his painful recognition of a dark spiritual "inheritance" from his father, and his hope to be free of it. We all inherit some degree of evil from our earthly forebears. It's easy to feel doomed to repeat their darknesses.

But we're not so doomed, thank God. This week's Gospel proclaims this. Whatever good or bad we received from our parents, we have a more definitive and perfect inheritance in God. Jesus commands us, **"Be merciful just as your Father is merciful"** (Luke 6:36). We have a perfect Father in heaven and are destined to inherit and reflect that perfect and merciful love. We have an inheritance of light, not darkness, and thus a whole new possibility of magnanimous love. Like any inheritance, this is a free gift to us.

What are we destined to repeat? Not the darkness of our earthly parents. We are destined to be a reflection of God's life. Jesus liberates us from the inevitability of repeating whatever evils and imperfections are in our familial or cultural upbringings. It's time to claim that perfect inheritance.

— *Father John Muir*
