# The Giving Tree 2025

***"I was hungry and you gave me food, I was thirsty and you gave me something to drink . . ."***

The Transformation Life Center is a resource in Seneca County aimed at assisting men, women, and families who are homeless regardless of circumstance. Provision will be made in the facility for separate accommodations for each group of the homeless. The Transformation Life Center will be able to help individuals get back on their feet by offering up to 90 days of safety net services and case management. Needs assessments will be done on families or individuals to gain an understanding of what has led to their current state of homelessness, and then an action plan will be created to address those issues. While cooperation with the action plan is not mandatory, any stay beyond the initial 30 days is predicated upon action plan progress.

The mission of the Transformation Life Center is to create an infrastructure and culture that will transform people's lives from dependency to self-sufficiency. It will leverage partnerships with community stakeholders including businesses, government entities, educational institutions, faith-based and not-for-profit organizations, and caring community members to help families and individuals become independent once again.

***" . . . I was a stranger and you welcomed me, I was naked and you gave me clothing, I was sick and you took care of me . . . "***

**FIRST STEP**  
Domestic Violence Services

First Step provides safety, shelter, and services to victims of domestic violence through community resources and collaboration. All services to victims are free of charge. We provide victims with a safe, calming environment where they can begin to heal, understand their own worth and rebuild their lives so they may live abuse free. In addition, we provide support services such as court accompaniment, life skills, 24/7 hotline support, protection order assistance, prevention education, and referrals for therapy and permanent housing. First Step serves victims in the four-county area of Seneca, Sandusky, Wyandot and Wood.

First Step is supported by local and state grants, local United Way organizations and generous donors. We are so thankful for all our donors whose generosity makes a difference every day. When you help First Step you are helping victims of abuse take control of their own lives, and take that "first step" to becoming a survivor!

*...And the King will answer "In truth I tell you, insofar as you did this to one of the least of these brothers of mine, you did to me." Mathew 25:40*

The Pay it Forward store is a vital resource for students and community members, offering clothing and hygiene items free of charge. Over the past 5 years it has provided essential support to individuals in need while also serving as a valuable learning experience for students with disabilities at Tiffin City Schools. Since Dec. 2019 we have served over 445 families, distributed over 17,800 clothing items, over 2,960 personal care items and have done over 2,250 loads of laundry.

## The Morrison House

The Morrison House has been open and serving the homeless population in Seneca County since December 5, 2012, helping to assist as many as 17 individuals at any point in time. We provide a safe haven for women and children for a period of up to 180 days and rely heavily on donations from the community for food and other supplies. All residents are required to

participate in ongoing programs to help re-establish themselves in the community as productive citizens. It is the goal of The Morrison House for each individual to have successfully acquired a job and found independent housing by completion of their stay.

Sisters in Shelter is a non-profit organization in Tiffin, that supports survivors and illuminates the atrocities of human trafficking through community education and advocacy. Our safe house serves adult female survivors of human trafficking and provides critical first needs for those survivors such as emergency safe housing, medical care, safety planning, and legal advocacy; and offering essential resources and educational support. We invite the community to join us in our mission. There are several ways you can get involved, from volunteering your time to making a donation.

Together, we can make a difference and create a world where human trafficking is eradicated, and every person is treated with dignity and respect. Please visit our website at [www.sistersinshelter.com](http://www.sistersinshelter.com) for upcoming events and more information about ways you can help support Sisters in Shelter.
