**Additional items may be added. You may check out the entire silent auction online and at the booth the day of the festival.**

**Keep the silent auction in mind for next year.....**

1. You may help our silent auction grow by asking your employer or businesses you patronize to donate to our auction. Businesses are usually more willing to donate to someone they know.
2. A great time to find popular items, at a fraction of the retail value, is during Black Friday, holiday sales, and clearance sales. You can get more bang for your buck.
3. Don't have time to shop for an item? Let the chairperson know how much you want to spend and we will shop for you.
4. We are always looking for people to donate funds toward trips.
5. You can get an early start on a handcrafted item for the auction.
6. Please let the parish office (419-595-2567) or Margaret Schalk (567-278-2612 or [marge828@gmail.com](mailto:marge828@gmail.com)) know of any donations you want to make so items are not duplicated. This will ensure unrivaled and higher bids for your item.
7. We are always looking for people to be on our committee. If it is something you are interested in let the parish office or Margaret Schalk know. Jobs would be mailing request letters, bargain shopping – in stores and online, photography, entering items to website, set up, end of event passing out winning items, day after pick up, to name a few.
