To All Parishioners:

This is a parish project and should involve all able members.

*If your name is not on this list and you wish to help, please contact one of the chairpersons to assist with their booth/activity.

*If you are *unable to work, please find someone to fill your position* and then call your chairperson to let them know of the change.

*If *your work time is unsuitable* to your schedule, *trade* with someone, then *advise* the chairperson(s) involved of the change.

The chairpersons have tried their best to accommodate everyone's wishes, please be considerate of the chairperson if there is an error.

*All help is appreciated, whether or not you are a member of All Saints Parish. This is a great way for our youth to earn service hours for Confirmation or other organizational requirements or projects.

***For the dinner each family is requested to bring 1 cake or 2 pies** (more pies are needed). It has been suggested that pies are in aluminum pans; for best success bake pies on a cookie sheet. **Please mark the flavor of the pies/cakes on the outer wrapper.**

Pies/Cakes may be delivered to **Room 103** in the parish hall located in the **basement** on the morning of the festival.

***Every family is requested to donate 1 or more cakes for the Cake Wheel.** Your help will increase this booth's profits.

*Anyone may donate items for the Country Store, baked goods and produce are especially popular. Reminder: donate items that do not require refrigeration.

***All parishioners are requested to help with set-up.** Stands, bingo stand, and dining hall will be set-up on Wednesday, August 5 at 5:00 pm. (Rain date will be Thursday, August 6 at 5:00 pm). The more help that is present the faster the set-up can be done. *Food and refreshments will be served after this project is completed.* All chairpersons are requested to help with set-up.

*More help will be needed to set-up small tents, additional booths and mini golf on Saturday, August 8th at 8 am.

***If the set-up times do not fit your schedule,** call the parish office to schedule another time to help prepare for the festival. There are many things that need to be prepared in advance to make the festival run smoothly, such as: supplies gathered/organized, cleaning, etc.

***All available parishioners are requested to help with clean-up on Monday, August 10 at 8:00 am until we are done.** Again, the more help present the faster the job can be completed.
